

LADY FALCONS COVID GYM POLICIES

Following are the protocols we have in place for LFE games at the Pennsbury schools - any questions please let us know:

- Every person in the gym (players, coaches, officials, spectators) must wear a cloth face mask. Bandanas and gaiters are not sufficient. Face shields may be worn in addition to the face mask, not instead of one.
- Each player is permitted one adult spectator at the game, not including coaches. Siblings are not permitted to attend games. Social distancing is encouraged for the spectators.
- We have separate entrance (set of double doors) and exits for the gym, both leading to the Pennwood parking lot. No one shall enter the gym until cleared by the site administrator. Teams are required to exit the gym promptly after the game.
- Failure to abide by the policies is grounds for being denied entry and/ or dismissal from the gym.
